### **Landscaping:**

The community fertilization/ weed control & pre-emergent application is scheduled tentatively for March 27<sup>th</sup> (Weather Permitting) if this date changes I will notify you.

### **ARC Applications:**

If you need any assistance with your application please reach out, I'd be happy to assist! I will forward your Application to the Master Assoc. on your behalf. Please do not send it in on your own as it may cause a delay with duplicating it in their system.
