## HOA Updates & Reminders

Good Afternoon Medley residents,

We would like to extend a warm thank you to all our residents who took the time Wednesday night, despite the rainy weather, to come out to the Town Hall hosted by Metro. We appreciate the opportunity to meet you in person and hear where we can better assist!

We would also encourage all of our residents to set aside a few moments on Friday afternoon between 2:00 and 4:00 PM to stop by and mingle and meet your New Community Association Manger! This gathering will be hosted in the Argent Model Home at the front of the community! Please see the flyer attached below!

We look forward to welcoming our new CAM to the property, as she will be a great asset to the community! Should you have any new questions moving forward, please don't hesitate to reach out, and of course, I will be here by her side to assist where necessary for as long as possible!!

Thank you.
