7:06 PM

Good Evening Medley Residents,

Below is a detailed update of our landscape services for the this week at **Medley at Angeline**. I will update you later as needed if I have any further information to share regarding ASI's production and services. Please do not hesitate to contact me if you need anything. I am glad to help in any way.

- **Mow/Trim Services** – Mowing is to be completed on Wednesdays (Weather permitting). We will transition in to a weekly mowing schedule beginning the week of April 1st. Should any of our scheduled service days change, I will be sure to let you know.
- **Irrigation Services** -The irrigation tech is onsite Thursdays to complete work orders in the order they are received.
- **Horticulture/Pest control**- Our horticulture technician will be onsite tomorrow with an application of weed control, fertilizer and pre-emergent. The team will follow up and inspect the property 10-14 day following to check if any additional applications are necessary.

Friendly reminder that we have our CAM Connection tomorrow in the ARGENT Model home at 4pm, and we will have a call in feature via Zoom for those who may not be able to attend in person. The link to access the zoom call is listed below:

Register in advance for this meeting:

[https://us06web.zoom.us/meeting/register/tZMvduCpqT8vGNBFjv3MgoHX3iAEdeMSajLT](https://us06web.zoom.us/joining/register/tZMvduCpqT8vGNBFjv3MgoHX3iAEdeMSajLT)

After registering, you will receive a confirmation email containing information about joining the meeting.

Thank you and have a wonderful evening!!

Danielle Enyeart, LCAM
